The Lederfabrik Scholl, at Zeitz, manufactured 7,000 cartridge pouches in August 1953. Map cases and belts are also on the production program. The revocation of order which took place about two months ago has been rescinded. Purse makers who had been hired in place of saddlers have been discharged on short notice and saddlers hired again. Traveling bags and cases were turned out especially for exhibition at the Leipzig Fair of 30 August.
